Events and BUCS Points available

BUCS Firefly Championship

BUCS Laser Championship

BUCS Fast Handicap Championship

BUCS Slow Handicap Championship

BUCS Men's Team Championship

BUCS Women's Team Championship

Please note, to be eligible for the team championship the boats must be single sex (helm and crew must be the same sex in double handed boats). If you do not wish to be eligible for the team competition then you can still sail in mixed boats.

Teams are made up of the top 3 boats from each university who have raced in fleets of 15 or more, calculated at the end of the event. More details are in the Notice of Race (NOR).

Additionally, as per NOR 3.9, any class which receives less than 15 entries may be cancelled or merged with another class at the discretion of the Organising Authority.

Please see [BUCS Rules and Regulations Appendix 1](#) to see the BUCS Points available.

Please note that BUCS Points will not be allocated where the minimum number of competitors/teams has not been reached, or where there are not enough individual scores to extract a team score. Furthermore, an individual/team must have beaten another individual/team to score BUCS Points (i.e. if 3 individuals/teams compete in an event, only 2 will score BUCS points). This does not apply to extracted teams. Individuals/teams are regarded as having competed if they started the event, therefore DNS will not be regarded as having competed. Similarly, medals will be awarded according to the accrual of BUCS Points. For example if only 3 individuals/teams compete in an event only Gold and Silver medals will be awarded.

Entry allowance

This event is limited to a capacity of 130 boats across all institutions. Institutions can initially enter up to 15 entries before the Stage 1 closing date of Thursday 19 October 2017. If more than 130 entries are received at the closing of Stage 1 entries, then initially each institution will be allocated an equal maximum number of entries. As such, institutions are required to give a 'rank' for each entry across all categories on BUCScore to advise the order of preference in which they would like each entry accepted in to the Championships as part of this process. Rankings should not be per fleet, but per institution. For example your 1st ranked entry might be a Laser, your 2nd ranked entry a Firefly. After an equal maximum number of entries per institution have been allocated, further 'rankings' will not be considered and any remaining places will then be allocated based on the date and time of entry on a first come, first served basis.

If after the closing of Stage 1, there is still space for any further entries, Stage 2 will open and additional entries may be submitted before the Stage 2 closing date of Thursday 2 November 2017. These Stage 2 entries will be allocated on a first come first served basis and are subject to approval and confirmation from the Organising Authority as and when received.

Please also note NOR 3.8.3 and NOR 8 in the Notice of Race regarding the classes of boats accepted by the venue.

Entry process

Entries can only be submitted on BUCScore, our online entry system. Please speak to your Athletic Union as they will need to submit your entry on this system and it is their responsibility to manage the whole entry process.

Please note: An email address is required to enable an individual to be entered effectively within BUCScore as the system uses email addresses as unique identifiers. The email address used for each entrant must be unique to maintain validity of their entry. Changing or duplicating an email address for an entrant may result in the entry being overwritten and therefore withdrawn.

Furthermore, after entries have closed no refunds will be given for withdrawals. This applies regardless of the reason for a withdrawal.

Reserves – BUCS Sailing Universal Reserves List 2017-18

There is a single reserves list for ALL BUCS Sailing events in the 2017-18 Season. This is listed on BUCScore as a separate Sailing 'Individual Entry Set': BUCS Sailing Universal Reserves List 2017-18. **Sailors will need to be entered onto this by Thursday 2 November 2017 in order to be eligible for selection for the BUCS Fleet Racing Championships.**

Institutions are strongly advised to register all club members on to the BUCS Sailing Universal Reserves List 2017-18 as no further competitors can be added after the deadline for each Championships and only those students listed as submitted on BUCScore and subsequently on the master reserve list can compete in any stage of the Championships. The existing reserves previously registered for earlier events in the 2017-18 season remain available for all subsequent events.
